

"Fin'Amor e Paratge"

A pilgrimage tour in the lands of the Cathars, the Troubadours and the Magdalene

sunday 8 - tuesday 17 September 2019

**Concluding with a special 2 day workshop given by Jehanne de Quillan,
author, and translator of « The Gospel of the Beloved Companion »**

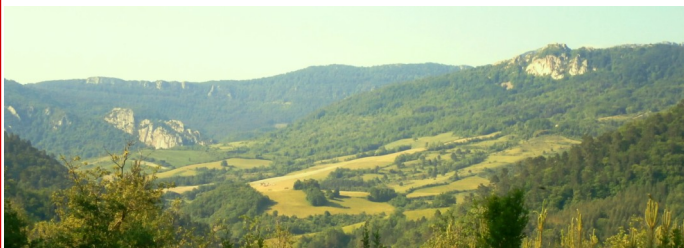

THE CATHARS

were part of a flowering of culture and enlightenment ruthlessly exterminated by the Church of Rome in the 13th century. These 'Bon-chrétiens' were healers, mystics, itinerant preachers, and welcome in homes, farms, and Chateaux alike.

Little remains to be seen of their times, but walking in their footsteps we explore, evoke and share in their shining vision and faith.

Including some half day country walks on the 'Sentier Cathar', a choice of 'Cathar Castles': Peyrepertuse, Queribus, Puilaurans and Roquefixade. Visits to Bugarach, Montsegur and Puivert, and to Rennes-le-Château for a Magdalene meditation with the piano of **David Bailey**.

With time for sharing, meditations, talks, hot springs and healings. Your guide : **Kris Misselbrook**

Staying in 'Le Jardin de la Sals' Sougraine

Cost : 1360 € in shared room

Including transports from/to Carcassonne and to all sites, entries, hotels, all evening meals, some lunches, all presentations, workshop and Troubadour Concert.

Single supplement 160 €.
